We're looking for staff Summer Crew Leaders who can train, supervise, and mentor teens during conservation projects on public lands. This is a great opportunity for teachers who would like work during the summer in the outdoors!

Forest Service specialists help implement the technical aspects of the conservation projects.

HOC is hiring several Summer Crew Leaders who will be assigned work locations of Redmond, Bend, Madras, Prineville, La Pine, Warm Springs, or Crescent. The position is supervised by HOC's Summer Program Coordinator and supported by USFS staff daily. The entire regional program has 14 Crew Leaders and 85 youth. The ideal candidate will have at least 1 year of experience in youth supervision or teaching and experience in outdoor work. A high school diploma or GED equivalent, valid driver's licence, a clean driving record (part of the background check), and current CPR/first aid certification is required.
