

Position Announcement: Camp Counselor/Crew Leader

URGENT SUMMER STAFF HIRING ANNOUNCEMENT

Heart of Oregon Corps is hiring for a special opportunity this summer! We are seeking 2 new team members to work 1 week of training, 3 weeks as a Camp LEAD Counselor at La Pine State Park in July, and then 3 weeks as a Crew Leader in Heart of Oregon's Central Oregon Youth Conservation Corps (COYCC) operated in partnership with the US Forest Service.

The position specifically supports and directly supervises young people in a camp and youth crew-based setting who experience disabilities. The first three weeks are in an overnight camp environment, and then in the integrated COYCC daily environment. Candidates for the position will have the skills to support and mentor youth's soft skills while working along side them to complete hands-on projects for State Parks and the US Forest Service. Advanced project technical skills with tools are not required, but candidates need to be able and willing to work hard, outside, completing labor intensive projects in a variety of outdoor environments. In short, we need candidates who love being outside, are dedicated to inclusion, willing to get dirty, work hard, have fun, and be a great role model.

The position has a special 7 week schedule with very specific date requirements. Camp LEAD requires an overnight schedule and pays overtime wages, COYCC is a daily shift.

Preferred Schedule for Training:

- June 18-22 (Monday-Friday), 8 hour days, in Central Oregon (alternate additional training days may be required if candidates are not available, or not hired yet, for this training)

 - Dates: July 30-Aug 2, Aug 6-9, and Aug 13-16
 - Weekly Crew Schedule: Monday-Thursday, 7am-5pm (daily, no overnights)
 - Locations: 1 position in southern Central Oregon (La Pine/Bend). 1 position in northern Central Oregon (Redmond/Madras)

Compensation: \$15.75 per hour. With overtime hours at camp and training hours included, this position will be scheduled to earn up to \$6,064 over just 7 weeks of work! Food is also provided for the 3 weeks of Camp LEAD.
