## Extra notes for campers:

- ✓ Please bring a small day pack or backpack so you can carry your gear with you during work sessions.
- ✓ Don't forget to bring any necessary medication, including inhalers, and epi-pens (if you need/use them).
- ✓ You will be provided with tents, sleeping bags, and meals, as well as a t-shirt. Please make sure to bring your own pillow (and blankets, if you like).
- ✓ *Please make sure to bring at least 5 long-sleeved work shirts!* Remember, you will be working very hard in the heat, and your shirts will start to smell very bad if you wear them day after day. There are no laundry facilities, so be sure to bring enough clean shirts with you to last you throughout the week.
