>>>>>>>>>The Process<<<<<<<<<<

1. Transition Specialists or student advocate need to send Heart of Oregon’s Summer Program Coordinator an informal recommendation via email about which campers would be the best match for the COYCC experience.
2. Transition Specialists or student advocate will verify with the youth and parents/guardians that they will be available for this experience and make sure the youth and families “save the date.”
3. Youth will attend Camp LEAD during their designated session.
4. Camp LEAD counselors will assess youth during their time at camp and provide a secondary recommendation if they are a good fit for COYCC.
5. After camp, the Summer Program Coordinator will contact the youth who have been selected, along with their Transition Specialists and parents to invite them to join the COYCC Integration experience.
6. Youth will know if they have been selected no later than **July 27th** and need to be ready to start work by **Monday, July 30th**.
