I understand that this application may be the first step in a longer enrollment process. That process may include a background check, drug test, interview, and/or additional paperwork.

Heart of Oregon Corps is a drug free workplace and does not permit the use of tobacco products, alcohol, or drugs in our programs.

As a recipient of Federal financial assistance, Heart of Oregon Corps is prohibited from discriminating on the grounds of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and against any beneficiary programs on the basis of the beneficiary's citizenship/status as a lawfully admitted immigrant authorized to work in the United States. Qualified individuals with disabilities and those from diverse backgrounds are strongly encouraged to apply. We provide reasonable accommodations for qualified individuals and conduct all activities in accessible settings (as allowed by program scope).

If this application leads to employment, I understand that false or misleading information in my application or interview may result in my release.

Heart of Oregon Corps' YouthBuild project is funded by a grant awarded under the YouthBuild grant initiative, as implemented by the US Department of Labor's Employment and Training Administration.

HOC AmeriCorps Programs include eligibility to earn an education award (see specific program guidelines for details). All AmeriCorps Members serving under a covered position under CNCS in any HOC program must complete a multi-step procedure to ensure background check procedure compliance with CNCS.
