

COVID-19 Health and Safety Agreement 3.1

This document affects your legal rights as a Heart of Oregon Corps Member or Employee: Read carefully before signing.

Safety in any environment is actively created by everyone in the environment. At Heart of Oregon Corps (HOC), our culture of safety, our "I've Got Your Back" safety promise, and our safety policies allow us to control inherent risks, including COVID-19.

HOC Protocols have been put in place to mitigate those risks to Staff and Corpsmembers that include (1) requiring both Staff and Corpsmembers sign this agreement and (2) complying with Heart of Oregon Corps COVID-19 related safety measures throughout the duration of your employment/service. Each of these elements is further detailed in the HOC COVID-19 Operations Protocols, which can be found at <https://heartoforegon.org/news-events/covid-19-response.html>

I, as a HOC Staff or Corpsmember agree to the following:

- I agree to monitor my own health and **NOT** come to work at HOC if I exhibit COVID-19 symptoms, and notify my supervisor, who will inform me of all available leave options (paid or unpaid).
- I agree to arrive to HOC as well rested, nourished, and hydrated as possible to aid in the goal of keeping everyone as resilient as possible.
- I agree to practice illness-reducing strategies at work, at home, and in transport to and from Heart of Oregon Corps. These include:
 - Wear masks as required by HOC policy (at HOC);
 - Washing hands often;
 - Avoiding *close* contact with people who are sick, even inside your home;
 - Covering coughs and sneezes;
 - Cleaning and disinfecting frequently touched surfaces daily;
 - Monitoring your health, watching for symptoms including:
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue,
 - Muscle or body aches,
 - Headache,
 - New loss of taste or smell
 - Sore throat
 - Congestion or runny nose,
 - Nausea or vomiting,
 - Diarrhea

I acknowledge, as a HOC Staff or Corpsmember that:

- HOC has the right to terminate employment or service if a Staff or Corpsmember refuses to comply with required safety protocols, including COVID-19 Protocols.
- HOC has a Vaccine Mandate in place, announced on 11/3/21. On or before your 60th day of employment or service, all HOC Staff and Corpsmembers must provide HOC with either proof of vaccination showing you are fully vaccinated or have a HOC-approved Medical or Religious Exception in place. *****Staff or Full Time AmeriCorps members in the Thrift Store or YouthBuild program must be vaccinated upon start date (or have exception) to comply with state mandates.***
- HOC cannot guarantee zero virus exposure.
- Work or service at HOC may not be an appropriate choice for People at Higher Risk for Severe Illness, and telework and teleservice options or accommodations are not available for all HOC position types if isolation or quarantine is required.

Check one to communicate your status with HOC (non-binding):

- ☐ **I am fully vaccinated** (turn in proof of vaccination with this form)
- ☐ **I plan to be fully vaccinated by my 60th day of employment** (HOC will collect status updates and proof of vaccination)
